Competent Person
Qualified Rigger/Signal Person
February 28, 2018

OSHA requires in both general industry and construction usages that rigging equipment is properly used and inspected on a daily basis or more often as service conditions warrant. Construction standards state that inspections are to be done by a Competent Person designated by the employer.

This class is designed to meet the construction standards for Qualified Rigger and Signal Person and give you the knowledge on the subject matter for your company to consider you a Competent Person.

Trainer: Rob Siemens
Royal Arc Industrial Services
Time: 9:00 a.m. – 3:30 p.m.
Place: Safety Council of Northwest Ohio
Cost: SCNWO Members $265.00 per person
Non-members $365.00 per person

Don't miss out on this rare training opportunity. Space is limited so make your reservation today!

NEW TRAINING OPPORTUNITY!

Construction SILICA
Competent Person Training
March 20, 2018

This new half-day course will provide initial training for persons designated by their construction management to act as the Silica Competent Person for their site(s) or who want to learn more about the role of the competent person under the new OSHA Construction Regulation (29 CFR 1926.1153) for Respirable Crystalline Silica. Participants will acquire knowledge through lecture and real-world interactive examples that will help prepare them to comply with the new silica standard.

Trainer: Don Garvey, CIH, CSP
3M Company
Time: 8:00 a.m. – 12:00 p.m.
Place: Safety Council of Northwest Ohio
Cost: SCNWO Members $325.00 per person
Non-members $425.00 per person

Don't miss out on this NEW training opportunity. Space is limited so make your reservation today!
