

*Subject: Give Thanks to Your Workers*

Show your workers you are thankful for them this holiday season by making a commitment to safety and health. You can:

- Improve the safety dialogue in your organization. Check out the Safe + Sound Campaign resource, [Better Safety Conversations, to make yours effective.](#)
- Recognize your workers' contributions to safety and health. During Safe + Sound Week 2018, the Princeton University Office of Environmental Health and Safety gave prizes to workers "caught" practicing safe work habits. Check out [other ideas for thanking workers](#) in your organization.
- Learn the basics of an effective safety and health program. Watch a [free webinar](#) for strategies you can use to show your commitment, encourage worker participation, and find and fix hazards.

The Safe + Sound Campaign is organized by the Occupational Safety and Health Administration, American Industrial Hygiene Association, American Society of Safety Professionals, The Center for Construction Research and Training, National Institute for Occupational Safety and Health, National Safety Council, and Voluntary Protection Programs Participants' Association.
