**June 20, 2020 SUMMER BEGINS!**

**To our Safety Council Members and Friends:**

During these uncertain times, the Safety Council of Northwest Ohio is open and ready to assist you with your safety and health training needs. We are taking necessary precautions to protect our students and staff by following federal, state and local requirements and best practices to prevent transmission of COVID-19.

In-person training is available on-site at your location, and also here at the Safety Council. We are following strict guidelines for social distancing and have limited the number of students per class to ensure a safe experience for all. The Safety Council also offers remote training including OSHA compliance and First Aid/CPR/AED/BBP. All training is tailored to meet our Members' needs.

If you have any questions or if you would like to schedule training at your facility or ours, or remotely, please contact Cindy Suminski at [cindy@scnwo.com](mailto:cindy@scnwo.com) or 419-662-7777 x223.
