# OSHA 10-Hour General Industry Program

The OSHA 10-Hour General Industry Training Class covers material set forth by the OSHA Outreach Training Program. Courses are provided through formal instruction accompanied with handouts, case studies, and student interaction. The OSHA Outreach Training Program for General Industry provides training for workers and employers on the recognition, avoidance, abatement, and prevention of safety and health hazards in workplaces covered under 29 CFR 1910. Upon successful completion of the class, students will receive a 10-Hour course completion card from the Occupational Safety and Health Administration in General Industry Safety.

## Topics will include:

- Introduction to OSHA
- Emergency Plans & Fire Protection
- Walking / Working Surfaces
- Machine Guarding
- Hazard Communications
- Electrical Safety
- PPE
