

## UPCOMING TRAININGS & EVENTS

### **Compliance Lunch**

August 13, 2019

### **PSA: Preparing for an OSHA Visit**

August 15, 2019

### **CPR/First Aid Training**

August 20, 2019

### **Breakfast With The Experts**

August 21, 2019

### **Joint Construction Safety Meeting**

August 27, 2019

### **PSA: Workplace Hazards Identification & Remediation of Potential High Hazard Conditions**

September 6, 2019

### **Compliance Lunch**

September 10, 2019

### **CPR/First Aid Training**

September 17, 2019

### **Breakfast With The Experts**

September 18, 2019

## **Safety Council of Northwest Ohio's 19th Annual Golf Benefit**

**September 20, 2019**

**8:30 Registration**

**9:30 Shot-Gun Start**

### **NATIONAL PET FIRE SAFETY DAY**

**JULY 15, 2019**

Our pets are as much a part of our family as any other member. This day stresses the importance of protecting them. Taking preventable measure now can both save your home and your pet. Many times our pets can cause a fire if we don't take the proper steps.

#### **PET FIRE SAFETY TIPS**

- Extinguish open flames. Pets are curious and certainly not cautious. Wagging tails haphazardly knock over candles. Curious kitties will paw at sizzling grease, quickly sending a kitchen up in flames.
- Remove knobs from the stove. When not in use, they will not accidentally get turned on.
- Consider flameless candles for ambiance and backup lighting in the event of a power outage.
- Replace glass water bowls with metal or plastic. Outside on wooden decks, they can heat up and actually start a fire.
- Store leashes and collars near the entrance of your home. When away, have your pets in the main living area for easy rescue.
- Secure young pets when away from home. This can help avoid fire hazards. Pet kennels or in a pet-proofed room are options.
- Fire alert window clings help firefighters identifying the room your pets are located and identify the number of pets in the home. Add one to the window of the room you keep your pets when you are away. Keep it updated with the number of pets who reside with you and your current phone number.
- Have a plan when you are home. Know which family members will be responsible for each pet.

## **Safety Council Rebate Program**

### **Earn a Premium Rebate Through Safety Education**

BWC offers employers who actively participate in a safety council program the opportunity for a 2 to 4 percent rebate on their workers' compensation premium.

To participate in the rebate program, you must meet the eligibility requirements and join the program by **July 31, 2019**.
