# BWC Safety Council Program

## Participation made simple.

- Join your local safety council by July 31, 2025.
- Attend 10 in-person safety council meetings between July 1, 2025 – June 30, 2026.
- Members may earn up to 4 additional credits by:
  - o Attending virtual or in-person training including BWC safety training courses (BWC on-line e-courses and webinars do not qualify); Or attending in-person safety training provided by external sources (e.g., industry associations, third-party administrators, etc.) that is approved by BWC. (2 credits maximum)
  - o Completing a Comprehensive Onsite Consultation visit by a BWC Field Safety Service Consultant. This consultation must include a full hazard assessment and a claims review (Up to two credits maximum; limited to once every three years)

## Additional safety council rebate eligibility guidelines:

- A person can represent only one policy number with attendance at safety council meeting(s) or external training event(s).
- Safety council monthly meetings do not qualify for meeting credit for any employer not enrolled in that safety council.

\* The rebate offer excludes self-insuring employers and state agencies. Limitations apply to professional/alternate employer organizations and their clients.

To receive the rebate, not to exceed \$5,000 annually, employers' policies must be current with respect to all payments due BWC. Employers may not have cumulative lapses in workers' compensation coverage in excess of 40 days within the prior 12 months. Additionally, employers must have timely reported actual payroll for the preceding policy year and pay any premium due upon reconciliation of estimated premium and actual premium .
