Competent Person Qualification Training for Employer Designation in PPE Hazard Assessment

Session I: Will cover Modules 1 – 5b and conclude with preparations (and assigned readings) to complete Sessions II and III, in order to receive the certificate -- which can enable your employer to designate you as its **Competent Person for PPE HA (Personal Protective Equipment Hazard Assessment)**.

Session II: Will cover Modules 4 – 7 explaining the resource & reference materials and engaging in some exercises (and review several examples) for completing or updating the **OSHA required PPE Hazard Assessment for your workplace**, along with providing guidance on how to conduct and certify a **PPE HA**. (Prerequisite: Session 1)

Session III: Will cover Module 8, conduct a group benchmarking discussion to share finished products, discuss insights for lessons learned, complete an open book/self-scoring examination, cover Modules 9 & 10, and end with the issuance of the **Competent Person Qualification Training PPE HA** certificate. (Prerequisite: Session 1 & 2)

To qualify for the **Competent Person Trained in PPE Hazard Assessment** certificate, participants must provide a hard copy of their workplace documented **PPE Assessment form** and their completed certification exam.
